CEG Technical Assistance Fund – New Project Survey

Project Information

1. Project Name
2. Property Owner(s)
3. Property Street Address(es)
4. Property City
5. Property State
6. Property Zip Code
7. How many properties are involved in this project?
8. Please briefly describe the project
9. Clean Energy Group is committed to prioritizing support for Black, Indigenous, and People of Color (BIPOC) organizations and communities. Is the benefitting facility for this project owned and/or operated by a BIPOC-led organization?
- 10.

Point of Contact

11. NAME of the primary Point of Contact information for this project (from the community facility; not the engineer/technical services provider)

12. EMAIL ADDRESS of the primary Point of Contact for this project

13. TAF Contract Signatory Contact Information (Who would we ask to sign onto the TAF agreement representing the community facility)

- a. Name
- b. Address
- c. Address 2
- d. City/Town
- e. State/Province
- f. Zip/Postal Code
- g. Email Address
- h. Phone Number

14. Additional Point of Contact (as needed)

- a. Name
- b. Company
- c. Email Address
- d. Phone Number

15. Additional Point of Contact (as needed)

- a. Name
- b. Company
- c. Email Address
- d. Phone Number

TAF Recipient Details

16. Please choose the project category that most closely matches this facility.

- a. Affordable Housing
- b. Community Facility (ex. resilience hub, houses of worship, senior center)
- c. Medical Facility
- d. State or Municipal (ex. city-owned buildings)
- e. Native Nation

17. How many community members will this project benefit?

- a. Up to 500 community members
- b. Up to 1,000
- c. Up to 2,000
- d. Up to 5,000
- e. Up to 10,000
- f. Over 10,000 community members
- g. This project will not benefit any community members

Affordable Housing

(for projects that identify as “Affordable Housing” please answer the following questions)

18. How many residents will this project benefit?
 - a. 0-50
 - b. 51-250
 - c. 251-500
 - d. Over 500 residents
19. How many units of affordable housing will this project benefit?
20. What percentage of housing is affordable?
21. Is the site master metered?

Property Information

22. What fuel(s) does the property (or properties) currently use?
 - a. Electricity
 - b. Propane
 - c. Oil
 - d. Natural Gas
 - e. Other (please specify)
23. What is the name of your electric utility?

System Information

24. What energy components are being considered in this project? (Select all that apply)
 - a. Solar
 - b. Battery Storage
 - c. Combined Heat and Power (CHP)
 - d. Wind
 - e. EV Charging
 - f. Natural Gas Generator
 - g. Diesel Generator

- h. Other (please specify)
25. What other partners are involved in the project (if known at this time)?
- a. Solar developer:
 - b. Battery storage developer:
 - c. Feasibility assessment partner:
 - d. Other:
26. Please rank your motivations for developing this project, with 1 being the highest and 4 being the lowest.
- a. Resilient backup power (health/safety)
 - b. Electric bill cost savings and revenue generation
 - c. Clean, renewable electricity (environment)
 - d. Community ownership of energy resources
27. Do you have any other project motivations not listed in the previous question?
Please share.

CEG Information

28. How would you rate your experience/knowledge of solar prior to developing this project? (Scale 1-10)
29. How would you rate your experience/knowledge of storage prior to developing this project? (Scale 1-10)
30. What resources can CEG provide to support the project development process?
Select all that apply?
- a. Case studies of successful projects
 - b. Personalized webinars/tutorials on solar+storage
 - c. Regulatory or policy explainers
 - d. Resources about solar+storage basics
 - e. Webinars featuring successful projects
 - f. Other (please specify)
31. How did you hear about the Technical Assistance Fund at CEG?
- a. Webinar
 - b. Publication
 - c. Word-of-mouth recommendation
 - d. Internet search
 - e. Other (please specify)
